

I.E.Canada Survey

I.E.Canada is the leading voice of the trade community. The organization achieves this goal by representing and educating importers and exporters, and by advocating on their behalf to influence change. Never before has this mission been as important as it is today. Unprecedented economic challenges, rapidly changing global trade patterns and competition from around the globe have presented Canada's trade community with unique opportunities and problems.

In order to address these issues, I.E.Canada needs your input. An important tool for collecting this information is our Annual Survey, which has recently been released. Please take a moment to share your experiences and ideas with us. I.E.Canada is your association, so tell us what you need from us. **By completing the survey by December 16, 2009, you will have the opportunity to win a \$250 gift certificate to Canadian Tire!** Please click the following link to access the member survey: <https://www.surveymonkey.com/s/WXKQRGG>
