

Questionnaire

Consultations on Issues Pertaining to the Enforcement of Intellectual Property Rights Abroad

Privacy Notice

The Department of Foreign Affairs and International Trade is committed to respecting the privacy rights of individuals who visit its Web sites and who participate in on-line consultations. Provision of the information requested for this consultation such as name, contact information as well as personal views and opinions is voluntary. The information is being collected for the sole purpose of assisting Canada in defining its priorities regarding the enforcement of intellectual property rights abroad. It will not be linked with other databases nor will it be used for any secondary purpose (e.g., follow-up research/survey) without first obtaining your explicit consent. This information will be retained for 7 years and stored within the program records of the Intellectual Property, Information and Technology Trade Policy Division of the Department of Foreign Affairs and International Trade under the following class of personal information: Trade Consultations and Intelligence. Your personal information is protected from disclosure to unauthorised persons/agencies pursuant to the provisions of the *Privacy Act*, and you should also know that third party commercial information may be subject to requests under the *Access to Information Act*. However, rest assured that in these instances no information will be released without your prior consent.
